

Town of Grand Island

Recreation Department

2021 Summer Programs Preview

The Grand Island Recreation Department is planning programs for the 2021 summer season.

While we are unsure what the COVID-19 mandates and regulations will be in a few months, we are confident we can at least run the same programs we did last summer and we are hopeful we can run more. Please see the preview of programs below and check the Recreation Department website for updates and more info -

We are Hiring!

Full Time Recreation Attendant - Main responsibilities are to organize and oversee adult leagues and programs. Application deadline is Thursday, February 11 by 3:00 p.m. See the department website for more information.

Seasonal and Part Time employees – Are you looking for rewarding employment working with children and adults? Be a part of providing programs and special events for your community! Applications can be found on the Recreation Department website. Summer season interviews will begin in March.

NEW! Community Center Available for Rental

Looking for an indoor space for your kids to play? The Community Center is now available for rental in one hour blocks. Rental includes large indoor space with equipment and games including basketball shoot, foosball, air hockey, ping pong and more! See department website for more information.
