Community Center Rentals General Set Up Without Games seating for 100pp Max.

- See map on reverse side
- This set up should be used if the rental does not need games
- All games should be moved to the corner as per the map and covered with the drop cloth covers. Games do not have to be place exactly as mapped but should be placed so they take up the least amount of space.
- All play mats should be moved to the corner with the games
- Stacks of chairs should be placed as shown on map
- Tables should be placed along the walls as shown on map
