Match Rules

- Your team may rotate in as many players as desired, or you may substitute according to USVBA rules. The method you start with is the one you must adhere to for the entire game, i.e., the right front player will go out, the player out will come in as the server to employ the rotate-in method.
- Scoring – Rally Scoring, 25 points / game, win by 2 points. Games have a cap of 27 points. A net serve is a live ball and playable. Match must end 5 mins prior to start time of next match, score may be tied/or less than two points in that third game. You must wait for the referee to indicate you are allowed to serve. If a quick serve is attempted, the ball will be replayed.
- There will be no grace period. Referee time is official. The first game is forfeited if there are less than 4 players on the court at the scheduled time. The second game is forfeited 15 minutes after scheduled time. The third game is forfeited 10 minutes later or 25 minutes after scheduled time.
- Forfeit score reports as 25-0, 25-0, 25-0
- Volleyball games may be played shorthanded with 4 players; 5th & 6th may enter at earliest convenience.

Exception to USVBA Rule Book:

- If 4 players are not ready to play at game time, it is a forfeit. Time-outs will not be allowed to avoid forfeitures. One 30-second time-out will be allowed per game, per team. A player may leave the court during a time out as long as they are back within the allotted time. If a player is not back within the allotted time the team will be penalized by a point or side out.
