Championship at Nike Base at 7:45 / 8:00 – 2 umpires

This game would start no sooner than ½ hour after the latest time one of the first game finishes. This would give the Kaegebein team and umpire enough time to travel and both teams and umpires enough time to rest.

i.e if Kaegebein finishes at 7:30 and Nike Base finishes at 7:20, the next game would start at 8:00. Or if Nike Base fishes at 7:20 and Kaegebein finishes at 7:15, the next game would start at 7:45.
