

Contact Tracing Form for Community Center Rental Adult Form

I attest that:

- I am not experiencing any symptoms of illness such as cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell.
- I have not traveled to a highly impacted area within the last 10 days. A “highly impacted” area is a country or region for which the U.S. Centers for Disease Control and Prevention (“CDC”) have issued a Level 2 or 3 travel health notice. If so, I have met the NYS quarantine and testing criteria.
- I have not been in a state or other jurisdiction in the United States, at any time in the last 14 days, from which individuals who travel to New York State are currently required by New York State to self-quarantine upon arriving in New York State. If so, I have met the NYS quarantine and testing criteria.
- I have not been diagnosed with Coronavirus/COVID-19, nor have I been exposed to someone with a confirmed or suspected case of the Coronavirus/COVID-19 within the last 10 days. If diagnosed with Coronavirus/COVID-19, I have complied with New York State Department of Health and CDC guidelines concerning the cessation of mandatory isolation.
- I am following state and local requirements and CDC recommended guidelines as much as possible to limit exposure to the Coronavirus/COVID-19.

Participant Name: _____ Signature: _____

Phone: _____ Email: _____

Date/ Time: _____

The Town of Grand Island is collecting this data for public health purposes only. In the event an individual experiences a confirmed case of COVID-19, this information will be communicated to the appropriate health officials. This information and any discussions with health officials are confidential. This means that your personal and medical information will be kept private and only shared with those who may need to know. Unless otherwise required by law, your name will not be revealed to those with whom you came into contact. The Town will take reasonable measures to safeguard and secure this data and will destroy this information after its preservation is no longer necessary to respond to the COVID-19 pandemic.
