

## Community Center Rentals Set Up Without Games

- See map on reverse side
- This set up should be used if the rental does not need games
- This set up should also be used if we need to put the games away at the end of the night
- All games should be moved to the corner as per the map and covered with the drop cloth covers. Games do not have to be place exactly as mapped but should be placed so they take up the least amount of space.
- All play mats should be moved to the corner with the games
- 2 stacks of chairs should be placed as shown on map
- Tables should be placed along the was as shown on map
