Joseph A. Menter
Recreation Supervisor

November 24, 2020

Hello All,

We are following up on recreation program information that was sent on November 13, 2020. Unfortunately, due to the surge in COVID-19 cases as well as government mandates we are suspending all in person Recreation Department programs indefinitely.

We are working on alternative programming including outdoor programs, virtual programs and ideas to help keep yourself and children engaged during this time. We will email and post information as soon as it is ready.

All programs that were currently running have been canceled. Please note the following information on refunds or account credits:

- All participants registered for programs that were running will receive a partial refund or account credit.
- All participants registered for an upcoming program that has not yet started will receive a full refund or account credit.
- Contact the department by Friday, December 11* to let us know if you would like a refund or account credit. Be sure to include your name, the participant's name (if different) and the program. The preferred method of contact is by email. You can also contact us by phone.

*Please note, if we do not hear from you by Friday, December 11 you will automatically be given an account credit.

The Recreation Department staff hopes everyone stays safe and healthy. We look forward to being back to in person programming as soon as possible.

Take Care,
